

Foundation Transition Program

For children starting school at Preston North East in 2024

Date	Session Outline / Parent Information Sessions
Session 1 Tuesday 10 th October 2:15- 3:15pm	For the Students: The children will be welcomed into the Foundation rooms to explore a variety of activities designed to help them feel comfortable in a classroom situation. We will do some activities to get to know each other and finish the session by completing a book all about our School. .
	For the Parents: Welcome Session Welcome Address in the staffroom for Parents. Tea and coffee will be available and you will have an opportunity to chat with our School Principal and Assistant Principal
Session 2 Tuesday 17 th October 2:15- 3:15pm	For the Students: Sport Program with Thomas We will start the session in the classrooms exploring different activities. Then Thomas will be joining us today to show us what the sports program at PNE has to offer. The children will get to participate in games and sport skill activities as well as some activities still in the classroom.
Session 3 Tuesday 24 th October 2:15- 3:15pm	For the Students: Art Program with Laura We will start the session in the classrooms exploring different activities. Then Laura will be joining us to show the children what they will get to do in art. The children will participate in a fun Art activity and will have something to bring home and show you.
Session 4 Tuesday 31 st October 2:15- 3:15pm	For the Students: Literacy at School A variety of fine motor creative activities will be set up in the classrooms for students to explore. We will then work on some early literacy and practise writing and making our names.
Tuesday 7 th November	No program due to Melbourne Cup Day
Session 5 Tuesday 14 th November 2:15- 3:15pm	For the Students: Numeracy at School A variety of fine motor numeracy activities will be set up in the classrooms for students to explore. We will then work on our numbers and counting and complete a number activity.
	For the Parents: Getting ready for Numeracy and Literacy Today Annie and Julie our Numeracy and Literacy Co-ordinators will be presenting on all things early mathematics and literacy. They will present on things you can do to prepare the children for the start of school.
Session 6 Tuesday 21 st November 2:15- 3:15pm	For the Students: Outside games A variety of fine motor creative activities will be set up in the classrooms for students to explore. We will then take them outside for some games.
Session 7 Tuesday 28 th November 2:15- 3:15pm	For the Students: Music Program with Hannah The music program another amazing class offered at PNE. Today Hannah will be joining us to allow us to participate in some singing, dancing and music games.
Last Session Tuesday December 5 th 2:15- 3:15pm	Meet the Teacher. Children will be invited to come into school to meet their teacher for 2024 as well as the members of their class.
	For the Parents: Starting School in 2024 - Information Session Our School Principal will take you through all the documents and procedures required when starting school in 2024. Followed by an afternoon tea.
