POLICY

1. School profile

Preston North East Primary School, located close to Northland Shopping Complex and the Darebin Creek Parklands, has provided education to the local community for 60 years. The school's motto is "Learning and Growing Together" and its purpose statement is providing a caring and challenging learning environment that equips children with the necessary skills to become valued members of the community. School values of individual excellence, confidence and persistence, respect for others and resilience provide guiding beliefs for action by all members of the school community. The school has a very welcoming physical environment with a range of educational facilities.

In 2019, a total of 30.4 FTE staff were employed at the school (19.5 teaching and 10.9 non-teaching). This staffing complement consisted of two Principal class, and 17.5 teachers, along with 8.9 EFT Education Support Staff.

The school's 2019 enrolment was approximately 280 students with a Student Family Occupation (SFO) index of 0.7924, above the state median of 0.51 for Victorian Schools. This indicated that, on average, the socio-economic status of the families at the school based on the school parents' occupations was in the low category of all schools. The student population is diverse, with over 30 nationalities represented from varying socio-economic backgrounds.

The school's curriculum framework incorporated the eight learning areas required by the Education and Training Reform Act 2006 and is aligned to the Victorian Curriculum. In addition, a broad range of

curriculum and extra opportunities was provided to students. These included specialist Literacy, Numeracy and English as a Second Language support, specialist teachers for Art, Music, PE and Italian.

Preston North East Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community.
