POLICY

1. School profile

Preston North East Primary School, established in 1957, is located close to the Darebin Creek Parklands and the Northland Shopping Complex in Preston. The school has remained substantially the same during its lifetime although a number of building renovations have occurred over the years to accommodate the growth of the school population. Building the Education Revolution Program – Primary Schools in the 21st century has resulted in four new classrooms and a library replacing three older style classrooms. The school has a very welcoming physical environment. In 2018 a new building consisting of 10 classrooms, an art room and several breakout rooms was built to replace the “South Building” which was one of the original buildings built in 1957. This project was funded under the Asbestos Replacement Program. For three terms 10 classes operated out of portable classrooms while the new building was being built.

The school's motto of “Learning and Growing Together” is embedded in its purpose statement of “supporting and extending all individual students achievement in a caring and challenging learning environment that equips our students to become valued members of the community.” School values of individual excellence, confidence and persistence, respect for others and resilience are reinforced

daily through all aspects of school life. A commitment to improving the achievement of all students is evident across the school.

The student population is diverse, with over 30 nationalities and varying socio-economic backgrounds. The enrolment in 2018 was 325 which included 4 fee paying students. The student enrolment numbers do fluctuate throughout the year. In 2018, 61% of total enrolments were students with a Language Background Other Than English (LBOTE). English as an Additional Language (EAL) funded students made up a substantial 52% of the total 2018 enrolments. Other significant cohorts within the total enrolment mix include an average of 11% ATSI and 12 students funded through the Program for Students with Disabilities (PSD). The average class sizes were 21 students in 2018. Intervention programs included Levelled Language Intervention (LLI), English as an Additional Language Support and Speech Therapy. An extension program in mathematics was continued in 2018 and the school also has specialist programs in Art, Music, PE and LOTE (Italian). As well as these programs mother tongue classes are taught in Mandarin and Vietnamese.

In total the school had 29 EFT teaching staff which included two principal class and a leading teacher working outside of the classroom in welfare and wellbeing. Preston North East Primary School offers a challenging and comprehensive curriculum that equips children with the necessary skills and knowledge to become well-adjusted adults and contributing members of the community. The school maintains an extensive curriculum in all domains.
