

20th April 2018 Vol 10

Principal's Report

Start of term 2

I want to take this opportunity to welcome everyone back for term 2. It has been a busy start with moving the final four classrooms on Monday.

As you can see our newsletter will be sent home on Fridays from now on.

Building Works

The remaining grade 3/4 classes have moved into their new rooms and the old south building should be demolished in the next 2-3 weeks. Once that is done we hope the new building will start to take shape with an expected completion date still at October 31st this year.

If you are able go to our website at www.pneps.vic.edu.au and click on the YouTube link that appears you will get a look at what the new building will look like once it is finished. It is quite impressive.

Problems

From time to time things don't go the way we want them to at school and this can be very frustrating. If you are having issues then please speak to your classroom teacher to see if it can be resolved or speak to myself or Mr Gook.

As a school we are not perfect and have had a lot of things happening lately with the moving of rooms taking a lot of our time. We are certainly looking forward to settling down now that those classes are settled.

As stated in our Engagement Policy:

Every member of the school community has a right to fully participate in an educational environment that is safe, supportive and inclusive. Everyone deserves to be treated with respect and dignity.

I would ask everyone to remember this especially when things aren't going well!

Maths Night – Thursday, May 3rd

This year our Maths Night will be held on Thursday, May 3rd. Keep the night free and obviously lots more details will come home before then. It is a really fun night for everyone.

Phillip Banks

Day Wed 25th
April 2018

CAMP RAFFLE DONATIONS

The school will run a whole-school raffle with a variety of prizes to be won. In order for the raffle to be a success, we are asking any families who are in a position to or possibly own their own business to donate any items suitable to raffle. An example could be Gift or Restaurant vouchers, Sporting or Electronic goods. Funds will be used to assist families and hopefully make camp accessible to all students.

Please contact Jamee-Leigh for more details or if you are able to assist.

ANZAC DAY 25th APRIL 2018

School Captains will visit class rooms daily selling items ranging from **\$1-\$5** until Tuesday 24th April. Items also available for purchase from the Office. Please support this worthy cause. **NO SCHOOL Wed 25th April**

THE SCHOOL DENTIST

The School Dental Van will be visiting PNEPS 21st – 25th May & 3rd – 7th December

Full details and consent form will be sent home soon!

CADBURY FUNDRAISER

This is a good fundraiser for the school so please jump on board and sell a box of chocolates.

EXTRA BOXES ARE AVAILABLE FROM THE OFFICE
*****Please return money as soon as possible*****

COLES SPORTS FOR SCHOOLS

Finishing soon! Please place all vouchers in the collection box located outside Administration area

MATHS NIGHT

The annual Maths evening is approaching soon. This year the event will be held on Thursday May 3rd from 5pm – 7pm. It will be held in the North wing and the BER as previously. It is a wonderful evening to enjoy learning and celebrating Numeracy at Preston North East Primary School. Children are required to be supervised on the night by parents or family members. As per usual there will be plenty of prizes on offer for those who participate.

We look forward to seeing you all on the evening! We encourage all students and their carers to attend if possible. We look forward to seeing you all on the evening!
